

**Sgt. OZ E. Ozbone, CD, BN, RE, RA, RN, CGC**

June 04, 2001 - November 06, 2015

*Sgt. OZ E. Ozbone stationed at Schofield Barracks on Oahu, left the U.S. Army and went on his final mission of filling a huge hole in the lives of a loving family on Maui.*

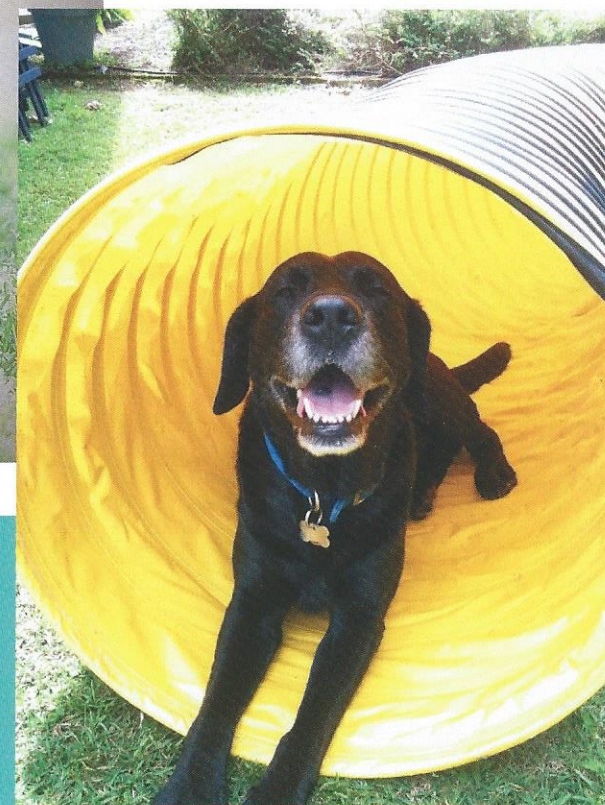

*In no time at all, OZ E's job was done, but he chose to stay on with his new family and build on an awesome future.*

*His new family's first picture later became a part of his logo.*

*With the work ethic of a soldier,  
OZ E began Obedience training, Rally, Agility, swimming, nose-work, laundry sorting,  
trash pick up, toothpick searching, and what ever else his family could think of!*

He added accolades to his name...
